## San Jose Scale in Vermont.

Prof. William Stuart of the University of Vermont, Burlington, has returned to his home from Franklin county where he has been on a tour of inspection among the fruit sections. Professor Stuart says the apple crop in Franklin county will be less than half the usual average. When questioned in regard to the appearance of San Jose scale in an orchard in Charlotte, Professor Stuart said that the disease was spreading and that it had now been found in two orchards covering several acres owned by a man named Emerson from Boston. No attempt was made by the owner to eradicate the pest excepting to occasionally spray the trees which made little difference with its spreading. Professor Stuart advised cutting down and burning the tree in the orchard. It is probable that an act making it obligatory to take all possible measures to exterminate the pest, and prohibiting nurserymen from sending into the state trees so infested, will be submitted to the next legislature.

## To Reorganize Courts.

The committee of the Vermont State Bar association, appointed by President H. Henry Powers at the annual meeting in Montpelier October 24 last to consider the propriety of a change in the judicial system of the state, has prepared its report in the form of a bill to be introduced at the coming session of the legislature. The bill provides for a supreme court of five judges to sit as a court of appeals and a circuit court of five judges to hold county courts in connection with the assistant judges now elected by each county. It leaves in blank to be filled the salaries of the judges, but provides that they shall not demand or receive any fees. The committee of the bar association is composed of Col. Alfred A. Hall of St. Albans, J. E. Cashman of Burlington, John H. Senter of Montpelier, W. B. C. Stickney of Bethel, T. W. Moloney of Rutland, Clarke C. Fitts of Brattleboro and John Y. Oung of Newport.

## Y. M. C. A. Secretary Leaves.

F. S. Morrison, for nearly four years state secretary of the Young Men's Christian Association of Vermont, has resigned to accept the position of secretary of the Railroad Industrial Association of a district of New York state comprising 33 associations and 11,000 members. A meeting of the state committee will be held at the state headquarters in Burlington tomorrow, when action will be taken on the resignation. Mr. Morrison will have his headquarters in Albany, N. Y., and will finish his labors in Vermont in November or before. His work in the state has been effective and the state committee will regret to lose him. His successor has not been decided upon, but a man has been selected whose name is not made public.

## Swanton Boy Drowned.

Robert, aged 12 years, the youngest son of Mr. and Mrs. Robert McIver, of Swanton was drowned in the Missisquoi river last week. The lad went out on the river alone, paddling a small, unsafe canoe, and was standing up when the boat capsized. The accident was witnessed by a companion from the shore, and he gave the alarm but it was some minutes before a rescue party arrived, too late to save the lad, who could not swim, and he sank half an hour before the arrival of the divers. Mr. and Mrs. McIver were at Swanton Junction attending the funeral of Carl Roberts, when the accident occurred.

During a severe electrical storm early last week lightning struck and fire destroyed three large barns owned by E. Kelly of Derby Centre. The barns contained about 100 tons of hay and grain beside the stock. Most of the horses were saved, but the cattle, pigs and sheep perished. The loss is estimated at \$3500. Lightning also damaged the clock tower of the Orleans county court house.

The horse, Angus Pointer, which made such fast time at the grand circuit races at Poughkeepsie recently, is owned by George E. Whitney of Burlington. The race was the 2.04 pace, purse of \$1200. Angus Pointer won in two straight heats, making the remarkable time of 2.03 1/4 and 2.03 3/4, the fastest time made in a pacing race this year, and a new record for the Poughkeepsie track.

William L. Goaky, of Bennington, a druggist and republican candidate for representative to the legislature this year, was badly burned Wednesday afternoon by the explosion of a soda water fountain that he was charging. After the explosion the gases took fire, completely enveloping him in flames. The skin on his arms, face, and most of his body was burned off.

Capt. Richard Arbutick, aged 74 years, for half a century a familiar navigator on Lake Champlain, died at his home in Port Kent, N. Y., Aug. 20. He was captain of the new "Vermont" in 1904 and subsequently retired. He was a native of Ireland, and has a brother, Thomas, of Burlington.
